Subject: Meritorious support of Cybermarine for King Post Installation onboard ARB-3

Dear Mr. Ranjith,

I take this opportunity to thank you and the entire team in Cybermarine for the indefatigable support for the ARB-3 project.

It is truly a commendable effort from you and your team. This is especially being located in a different time zone, ensuring our needs are met in spite of the different changes made on the engineering part and having to work late hours. We are very pleased with the commitment demonstrated by the entire team and the coordination with ABS to ensure that the certification part of the project did not get delayed.

In conclusion the King Post installation was completed successfully and we are very satisfied with your work. Please convey our appreciation to the entire team.

Yours sincerely,
SCHLUMBERGER OILFIELD (S) PTE LTD.
